Roles and responsibilities

No worries: I will take care of everything, and all will be happy.

On second thoughts, who can be happy when one understands that data are eternal but human understanding is transient.

Expected data

Lots of data -- we'll play it by ear.

Period of data retention

Ad hoc policies.

Data formats and dissemination

XML -- need I say more?

Data storage and preservation of access

The **CDL** is my go to repo.
